

Philips Azur Performer
Steam iron

Steam 40g/min; 150g steam boost

SteamGlide Plus soleplate
Anti-calc
2400 Watts

GC3810/20

Faster, Easier and Smarter

With our innovative steam and temperature control

The Philips steam iron Azur Performer combines powerful performance with ease of use. Our Auto Steam Control provides the right amount of steam for each garment. The SteamGlide Plus soleplate will whizz through your ironing.

Fast and powerful performance

- 2400 W for quick iron heat-up
- Steam output of up to 40 g/min for better crease removal
- 150 g steam boost to remove stubborn creases easily

Easy gliding on all fabrics

- Our premium SteamGlide Plus soleplate for a superb glide

Safe ironing

- Double Active Calc System to help prevent calc build-up

Comfortable ironing

- Auto Steam Control for the right steam for each garment
- Triple precision tip for optimal control and visibility
- Optimal weight for easiest manoeuvrability over your garments

Highlights

2400 W for quick heat-up

With 2400 W, the Azur Performer steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

SteamGlide Plus soleplate

Our best-gliding SteamGlide Plus soleplate to whizz through your ironing. The carefully designed vents ensure a well-balanced steam distribution.

Double Active Calc Clean

Your Philips steam iron's Double Active Calc system prevents scale build-up through anti-scale pills and an easy-to-use calc clean function. Regular cleaning of calc from your steam iron results in fewer white stains from calc and longer steam performance, giving better ironing results.

Auto Steam Control

Auto Steam Control takes away the worry of selecting the amount of steam you need. Just

select the temperature for the garments you're ironing and off you go.

Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, a button groove and a sleek nose design. The Triple Precision tip enables you to reach into even the trickiest areas, e.g. around buttons or between pleats.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas — Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
