Get a close shave that minimises skin irritation. The shaving head has 3 specialised tracks: slots for normal hair, channels for long or flat laying hair and holes for the shortest stubble on your face.

Super Lift & Cut Action

The dual-blade system built into our electric shaver lifts hairs to cut comfortably below skin level for a closer shave.

The Aquatec wet and dry seal lets you choose how you prefer to shave. You can get a comfortable dry shave or a refreshing wet shave using a shaving gel or foam for extra skin comfort.

SkinGlide

The low-friction SkinGlide shaving surface slides smoothly along your skin for a close, easy shave.

Easy grip

The easy-grip shaver handle has an ergonomic grip with anti-slip coating, ensuring close control for an extra-precision shave.
