The actual product may differ

Perfection in every pass

Cuts up to 20% more hair* in a single pass

The Shaver 9000 is our most advanced shaver yet. The unique Contour Detect Technology offers exceptional coverage over every contour of your face, and the V-Track system guides hairs into the best cutting position for the closest result.

Designed for perfection

- Perfectly guides the hairs for a close shave
- Flexes in 8 different directions for a superb result

A Comfortable Shave

- Super Lift and Cut Action lifts hairs to cut comfortably close
- Aquatec Wet and Dry for a comfortable dry and refreshing wet shave

Get the Most from Your Shaver

- Precision trimmer for perfect moustache, sideburn trimming

Easy to use

- Intuitive icons make the functions easy to use
- 50 minutes' cordless use after a one-hour charge
- 2-year guarantee

PHILIPS

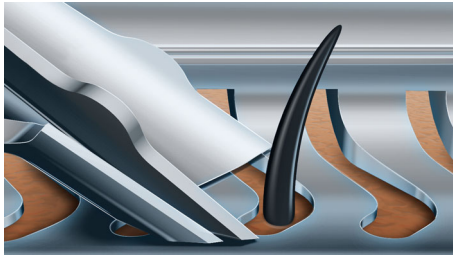

Wet and dry electric shaver with SmartClick Precision Trimmer and Aquatec Wet and Dry

V-Track Precision Blades 50 min cordless use/1 hr charge, SmartClick Precision Trimmer

Highlights

S9041/12

V-Track Precision Blades

The patented V-track Precision Blades gently position each hair in the best cutting position, even flat-lying hairs and hairs of different lengths. Cuts 30% closer in fewer strokes, leaving your skin in great condition.

Contour Detect Technology

The new fully flexible 8X directional heads maximise facial adaptability, requiring less effort in every stroke. Their independent movements allow them to catch 20% more hair for a clean shave in fewer strokes.

Super Lift & Cut Action

The dual-blade system built into the Philips electric shaver lifts hairs to cut comfortably below skin level for a closer shave.

Aquatec Wet and Dry

The Aquatec Wet and Dry seal of the electric shaver lets you choose how you prefer to shave. You can get a comfortable dry shave or a refreshing wet shave using a shaving gel or foam for extra skin comfort.

SmartClick Precision Trimmer

Precision trimmer for perfect moustache and sideburn trimming.

User Interface

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

50 minutes of cordless shaving

The advanced charging system gives you two convenient options: 50 minutes of running time after a single one-hour charge, or a 3-minute quick charge for one full shave. All Shaver series 9000 models are designed to operate only in cordless mode to ensure safety in wet environments.

Built to Last

With its 2-year guarantee from Philips, the Shaver series 9000 is designed for performance and durability, giving you an extremely close shave time after time.
