Ideal angle

The Philips nose trimmer has been engineered so that it is perfectly angled to easily reach hair inside the ear and nose, as well as for use on eyebrows. With the Philips nose trimmer, you can be sure that all unwanted hairs will be removed efficiently.

Powerful cutting system

Both cutter and guard have ultra-precise and sharp cutting slots to ensure all hairs are quickly and effectively cut.

Water resistant

The trimmer and the combs are easy to clean under the tap and can be used in the shower.

Pouch
