# Highlights

## 18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

## Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

## Contour-following comb

Flexing guide comb that follows every curve of your face for an even trim, easily and comfortably.

## Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

## Maintenance-free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

## Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.
